

Instructions for Proposals

For the CIETA congress of 2023 to be held at Wawel Royal Castle, Kraków, members are invited to propose papers on the general theme of "Renaissances and Revivals." The content of a paper must be original and unpublished.

Please note that a presentation must not exceed 20 minutes (plus 10 minutes for a discussion), even if it is presented by two or even more speakers. We therefore recommend that a Powerpoint presentation should not contain more than 20 slides.

Please use the form (next page) for your proposal. Your abstract should not exceed **150 words max**. Proposals sent in without a title or an abstract will not be considered. If you are not a native speaker of French or English, please ask a French- or English-speaking person to read and (if necessary) correct your text in order to avoid misinterpretations and additional copy-editing; the Vetting Committee will be grateful for your consideration.

Please **save your file as "proposal-yourname.pdf"** (like in: proposal-smith.pdf) and send it by email to congress-2023@cieta.fr

Please send in your proposal in this form **by 3 January, 2023 (deadline)**. Proposals arriving after this date will not be considered.

A Vetting Committee will consider the proposals and select the papers to be included in the programme of the next congress. The Committee will also consider papers without a direct reference to the general theme. They can be accepted if they are of particular scholarly interest.

All applicants will be informed of the results **by the end of January 2023**.

Name:

Institution (if applicable):

Member of CIETA: Individual

Institutional

Address:

email address:

Tel. (optional):

The paper will be presented: in French in English

For technical elements apart from a Powerpoint presentation, the paper requires:

Title of the paper:

Abstract:
