

CIETA Congress 2025 Proposal Form
Museo del Traje, Madrid, Spain
September 23-26, 2025

New Directions in the Study of Historical Textiles

Instructions for Proposals

For the CIETA congress of 2025 to be held at the Museo del Traje, Madrid, members are invited to propose papers on the theme of ***New Directions in the Study of Historical Textiles***. The content of the paper must be original and unpublished.

Please note that the presentation must not exceed **20 minutes** (10 minutes will be added for discussion), even if it is presented by two or even more speakers. We therefore recommend that a Powerpoint presentation should not contain more than 20 slides.

Please use the form (on the following page) for your proposal.

Your abstract should not exceed **150 words maximum**. Proposals submitted without a title or an abstract will not be considered. If you are not a native speaker of French or English, please ask a French- or English-speaking person to read and (if necessary) correct your text in order to avoid misinterpretation and additional copy-editing: the Vetting Committee will be grateful for your consideration.

Please save your file as "**proposal-your name.pdf**" (for example: proposal-smith.pdf) and email it to congress-2025@cieta.fr by **31 July 2024**. Proposals that arrive after this date will not be considered.

A Vetting Committee will consider the proposals and select the papers that will be included on the final program.

All applicants will be informed whether or not their paper has been accepted before 15 September 2024 and will be asked to confirm whether or not they are willing to present before 30 September 2024.
